PRINCIPAL'S WELCOME

Thank you for considering Regent Hill International Preschool as your child's educational foundation. We look forward to welcoming you and your child to our school. Regent Hill International Preschool is an inclusive school which believes that every child has potential that needs to be developed.

The school aims to create an environment where children feel happy, safe and secure. Learners are cared for and respected as individuals and given the best possible opportunity to attain their full potential in the classroom and beyond by compassionate, loving, and committed academic and non-academic staff. We aim to allow our learners to grow and develop in order to achieve personal excellence: academically, physically and spiritually. We foster creativity both in the classroom through the curriculum and also outside the classroom through sports and both creative and performing arts.

We want to instill confidence, honesty and integrity in our learners, by teaching them to have respect for themselves, other persons and also for their property, as well as the school's property. In other words, we need them to know and appreciate the difference between right and wrong. School staff and parents are encouraged to work together to assist our learners to reach their full potential. We feel that we are more likely to succeed in our aims if there is a partnership with parents and the school based on mutual trust. We look forward to working with you to ensure that your child will recall his/ her school days with pleasure.
